

DECISION ON THE SELECTION OF THE SUPPLIER

Unipetrol výzkumně vzdělávací centrum, a.s., Registration No.: 622 43 136, registered office at Revoluční 1521/84, Ústí nad Labem-centrum, 400 01 Ústí nad Labem, contracting authority of a small scale public contract for supply called

„Autokláv pro katalytické testy / Autoclave for catalytic tests“,

awarded in an open invitation pursuant to Article 5.6.3. of the Director's Directive SR-EK-01-05 outside the regime of Act No. 134/2016 Coll., Public Procurement Act, as amended (hereinafter referred to as the "PPA"), hereby in analogy to § 122 PPA

selects for a conclusion of a contract for public contract the participant of the procurement procedure

ROFA PRAHA, s.r.o.

Registered office: Pod Hájem 201, 252 65 Tursko

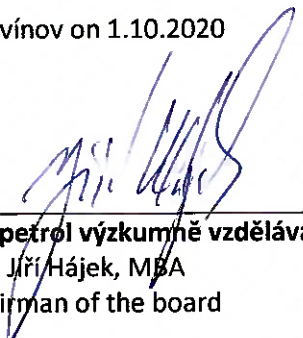

Registration No.: 480 29 220

(hereinafter referred to as the "selected supplier")

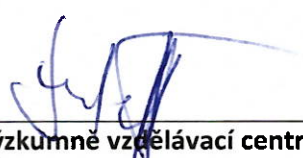

Reasoning: The contracting authority has decided in the abovementioned manner in accordance with § 122 par. 1 PPA. The bid of the selected supplier fulfils all the conditions for participation in the procurement procedure and does not contain an abnormally low bid price. The bid of the selected supplier was found to be the most suitable by the chosen commission on the basis of the executed evaluation.

The contracting authority itself has become acquainted in detail with the content of the bid submitted by the selected supplier, has agreed with the conclusions of the commission and also considers the bid of the selected supplier to be sufficiently suitable and acceptable for its needs.
